MEMORANDUM FOR: Deputy for Field Activities, OSA

SUBJECT: Plastic Parachute Proposal

25X1A

1. The attached proposal is the result of an E & E Survival Board request to [] DDP to seek [] opinion on the possibility of designing a low visibility, high altitude personnel parachute. They are currently working on a plastic cargo chute for []

25X1A

2. Such a chute would have profound effects upon the OSA survival program, as well as other Agency and DOD operations.

3. [] is familiar with [] and is available to discuss this proposal with OSA personnel.
